有緣千里來相會 2008莫三比克見

不同語言的歌曲唱響插滿九十二國國旗的會場。

來自世界各國的伙伴從林口認識到環島一周，從抵達東華營地到熱烈地參與營內外活動，十二天精彩的活動在閉幕典禮中劃下驚歎號。各國童軍同台帶動主題音樂，讓屬於羅浮的熱情與活力永不熄滅。當活動回顧活動播放時，不論是探索學習或在活動中汗水淋漓的畫面，笑容及擁抱都讓全世界的童軍更親近。各代表團國旗再度上台揮舞，旗海飛揚的畫面讓全場感動。伙伴無一不為自己國家大聲歡呼，大會工作人員上台感謝這次與會的各國伙伴。從活動中學習成長，遇到困難互相扶持，世界羅浮大會留給大家的精神是「世界一家，你我是永遠的伙伴」。當羅浮大會會旗由台灣交接給下屆主辦國莫三比克，象徵著另一種使命的傳遞。在煙火流瀑及雷射秀一系列的表演後，大會正式宣布結束，伙伴擁抱將所有一切的不捨及言語融入。

為祈求世界和平及感謝貝登堡爵士在上天的眷顧，一箋箋天燈緩緩升上天空，伙伴彼此相約2008莫三比克見。

Everything has an end, so did this Moot. Last night scouts from all over the world celebrated the happy time they had together during the 12th World Scout Moot. The Closing ceremony began with a performance of the Moot song by the rover ambassador Fiona Cheng. It was followed by some filmed highlights of the Moot being shown on the big screens.

This Moot has had the largest number of participating countries so far, there were no less than 84 flags in the parade. Several people held speeches to say farewell to the scouts, congratulating them and wishing them a safe journey home. At the end of his speech the Secretary-General asked all the assembled scouts to repeat their scout promise together with him.

Then the time had come for Taiwan to hand over the World Scout flag to the organizers of the next Moot in 2008, Mozambique. The Mozambique delegation wished all the scouts welcome to their country in four years.

Finally Auld Lang Syne was sung. A lot of people probably felt a little sad that the Moot is over and that they have to leave all their friends, but when the dance music started, those feelings were blown away. The party had started and it was time to celebrate the great time we have all had together.

Good bye! See you in England 2007 or in Mozambique or somewhere else on this beautiful planet! (Helena Lindh)

TOUT UN PROGRAMME !

Après être revenu sur les meilleurs moments de ce Moot à Taiwan et sur la présence record de 84 pays des six régions du scoutisme, l'heure était hier soir aux remerciements.

Impossible de compter combien de bénévoles ont été mobilisés pour un tel événement entre les 8 départements de travail, le Moot office, les équipes des 5 centres d'expédition et le Bureau Mondial du Scoutisme.

Déjà le scoutisme regarde vers demain, encore plein de rendez-vous et de défis ! 2007 sera le centenaire du Scoutisme, avec un Jamboree au Royaume-Uni ; 2008, le prochain Moot pour la première fois sur le continent africain, au Mozambique !
