DE TAÏWAN AU MOZAMBIQUE FROM TAIWAN TO MOZAMBIQUE 從台灣到莫三比克

Dans quatre ans, les Mozambicains seront les hôtes du 13ème Moot Scout Mondial. Tel que nous avons pu découvrir la culture taïwanaise durant ce Moot, le prochain rassemblement sera définitivement marqué par l'Afrique et sa grande diversité culturelle. La ligue des scouts du Mozambique est aussi l'organisateur du 5ème Jamboree Scout Africain en 2005 afin de se préparer à recevoir cet événement scout mondial en 2008.

Les scouts de la Mozambique travaillent activement au développement du scoutisme dans leur pays. Après 15 ans de guerre civile, la tâche la plus importante est de reconstruire des valeurs et des principes humanistes parmi les jeunes. Et ces valeurs correspondent à celles des aînées et routiers de nos associations scoutes, où les jeunes s'investissent au service de la communauté.

Nous encourageons chacun d'entre vous à devenir un ambassadeur du 13ème Moot Scout Mondial dans votre pays et de participer ainsi à la promotion de cette rencontre. Merci d'avance pour votre aide.

Four years from now, Mozambicans will host the 13th World Scout Moot. Just as we have experienced the Taiwanese culture in this Moot, the next one will largely have an African flavor. The League of Scouts of Mozambique will organize the 5th African Scout Jamboree in 2005 to get enough experience when it hosts this world scout event in 2008.

Scouts of Mozambique envision the expansion of Scouting in the country. After 15 years of civil war, the most important task is to rebuild humanistic values and principles among young people. And these values are much in line with Rovering where young people have more involvement in community service.

We encourage each of you to be the ambassador of the 13th World Scout Moot in your own country and to participate in promoting the 2008 event. Thank you in advance for your support.

第十三屆世界羅浮大會四年後將在莫三比克舉行。一如我們在本次大會體驗到的台灣文化，下次大會將呈現極多的非洲文化。莫三比克童軍總會將於2005年舉辦第五屆非洲大露營，以獲取更多經驗，辦好2008年的世界羅浮大會。

莫三比克童軍總會致力於在國內推廣童軍運動。經驗15年內戰，對莫三比克而言當務之急，就是重建青年人的道德，及人道主義價值觀，這些價值正是和羅浮階段相符的，同時鼓勵青年們也會更積極從事社區服務。

我們鼓勵大家成為第十三屆世界羅浮大會在貴國的大使，並幫助推展這個活動。謝謝您支持我們！
